--

Main contact person

11. Title, forename(s), surname	
12. Role in organisation	
13. Work/office phone	
14. Mobile	
15. Email <i>(ensure this is correct as we will use it to communicate our decision)</i>	

Section 2: Your project

Name of project			
16. Project start date <i>Note that the outcome of your application will be in early-2022.</i>		17. Project end date <i>Note that projects should be complete by 31st March 2023, unless agreed otherwise.</i>	
18. What area does your project cover? <i>(town, village, parish, estate)</i>			
19. In which local authority is the project mainly located? <i>(see table in call criteria for list of local authorities in our licence area)</i>			
20. Please provide a post code which represents the area where most of the people who benefit will come from or that of your organisation <i>(first four letters)</i>			

21. Can you provide a description of your project?

Please include the aim/objective or issue you are addressing; what activity will be undertaken and what you are expecting the project to achieve.

(300 words)

22. What outputs is your project likely to deliver?

We have made suggestions for the quantitative outputs your project might achieve but feel free to add your own and / or a description of any qualitative outputs you expect. Please feel free to add or detail rows as required.

Output	Format	Measure	Further details	Estimate or give a range for those that will apply
Capacity building	Community energy group	Additional skills or resources delivered	<i>Define what will be delivered</i>	
	Pupils and young people	Number of pupils/young people engaged	<i>Details of capacity building</i>	
	Householders	Number engaged		
	Volunteers	Number engaged		
	Businesses	Number engaged		
Energy advice	Leaflet or video	<i>Number of households leaflet provided to</i> <i>Number viewing video</i>	Include proportion fuel poor	
	Bespoke in person	<i>Number of householders</i>		

	PSR sign-ups	<i>Number of householders</i>		
Measures	LED	<i>Number of lamps, number of households</i>		
	Energy efficiency measures:	(List of measures)		
Voluntary hours	Any type of organisation	<i>Total voluntary hours in first year of project and thereafter</i>	Sustainable beyond the grant funding?	
Overcoming barrier	Leading to generation, HPs or EV charging points installed	<i>kW / MW installed</i>		
		<i>Carbon saved</i>		
		<i>Money saved for organization or customer</i>		
Behavioural change	Action taken	<i>Eg supplier switch, joined a community energy group, started using a bike or public transport for significant journeys</i>		

23. How is the local community involved in the project and how will they benefit from it?
 Does your project involve a group that might be considered hard to reach or not currently involved in the transition?

(300 words)

24. How does your project meet one or more of the call priorities?
Please include the number of which criteria your project meets in your answer.

Call priorities:

1. Engaging communities to establish a group or develop the scope for a project;
2. Scaling up delivery of a community energy project or group;
3. Address a specific barrier that is holding back the development of community or local energy.

(200 words)

25. What's new about your project for the North West? Is it developing a new idea or scale of delivery? Is it working with a new community or trialling a new way of engaging or delivering projects?

(250 words max)

26. Is your project replicable? How will other groups be able to learn from the outcomes of this project?

Electricity North West can provide resources to produce case studies and opportunities to speak to other groups at events.

(200 words max)

Section 3: Project finance

27. What will the funding be spent on?

28. Please give an overview of the item, activity and estimated budget?

Item/activity	Estimated budget
TOTAL cost	

29. How much funding are you applying for and have you raised any other money for this project?

We will provide up to 100% project funding but projects which include other funding or finance are preferred.

	Amount	Source
Amount of <i>Powering our Communities</i> grant applied for		

Other funds raised		
Total		n/a
30. Details of other funds raised, amount, source and if it's secured or unsecure		

Supporting documents – the following information should be provided.

- List of names and addresses of management committee/board members/directors.
- Three quotes for any item of capital expenditure over £500 (these can be supplied as part of the monitoring report after the project is completed).

If you are successful you will be asked to sign a funding agreement and provided a signed copy of your most recent bank statement or a letter from your bank confirming your bank details.

Please tick the box to confirm that you give permission for Electricity North West to record the information in this form and to share it with the members of the judging panel for the purposes of assessing the applications.

We give permission for Electricity North West to record and process the information in this form electronically and in paper form including sharing the information with other organisations who are asked to assess the application or monitor the impact of the funding and to contact our organisation by phone, mail, or email with regard to this application.

For more information about out how Electricity North West stores and processes your information securely please see our [privacy policy](#) on our website.
